BSc Computer Science and Information Technology (Evening)

U Computer Science and Information Technology Major (Evening)

Printed On: 22-Apr-2022 22:57:09

Syllabus	Course ID	Course Name	Cr.H	Course Group	Grade
2010 2015 U Computer Science and Information Technology Major	ACT110	Principles of Accounting	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	BIO218	Introduction to Biological Science	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	BNG101	Bengali Language and Literature	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	BNG103	History of the Emergence of Bangladesh	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	BNG104	Bangladesh Studies	3	Major/Concentration/Departmental Requirement	C+
2010 2015 U Computer Science and Information Technology Major	BNG217	Socio-economic Study of Bangladesh	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	CSE113	Electrical Engineering	3	Major/Concentration/Departmental Requirement	B+
2010 2015 U Computer Science and Information Technology Major	CSE114	Electrical Engineering Sessional	1.50	Major/Concentration/Departmental Requirement	A-
2010 2015 U Computer Science and Information Technology Major	CSE123	Electronics	3	Major/Concentration/Departmental Requirement	C
2010 2015 U Computer Science and Information Technology Major	CSE124	Electronics Sessional	1.50	Major/Concentration/Departmental Requirement	A
2010 2015 U Computer Science and Information Technology Major	CSE213	Digital Logic Design	3	Major/Concentration/Departmental Requirement	C+
2010 2015 U Computer Science and Information Technology Major	CSE214	Digital Logic Design Sessional	1.50	Major/Concentration/Departmental Requirement	D
2010 2015 U Computer Science and Information Technology Major	CSE216	Digital Electronics and Pulse Techniques	3	Major/Concentration/Departmental Requirement	B+
2010 2015 U Computer Science and Information Technology Major	CSE217	Digital Electronic & Pulse Technique Sessional	1.50	Major/Concentration/Departmental Requirement	A-
2010 2015 U Computer Science and Information Technology Major	CSE233	Computer Organization & Assembly Programming	3	Major/Concentration/Departmental Requirement	A+
2010 2015 U Computer Science and Information Technology Major	CSE234	Computer Organization & Assembly Programming Sessional	1.50	Major/Concentration/Departmental Requirement	A+
2010 2015 U Computer Science and Information Technology Major	CSE313	Computer Architecture	3	Major/Concentration/Departmental Requirement	B-
2010 2015 U Computer Science and Information Technology Major	CSE323	Computer Networks	3	Major/Concentration/Departmental Requirement	A+
2010 2015 U Computer Science and Information Technology Major	CSE324	Computer Networks Sessional	1.50	Major/Concentration/Departmental Requirement	B
2010 2015 U Computer Science and Information Technology Major	CSE400	Project & Thesis	6	Major/Concentration/Departmental Requirement	A+
2010 2015 U Computer Science and Information Technology Major	CSE413	Microprocessor	3	Major/Concentration/Departmental Requirement	B
2010 2015 U Computer Science and Information Technology Major	CSE414	Microprocessor Sessional	1.50	Major/Concentration/Departmental Requirement	B
2010 2015 U Computer Science and Information Technology Major	CSE435	Data communication	3	Major/Concentration/Departmental Requirement	A+
2010 2015 U Computer Science and Information Technology Major	CSE441	Optic Fiber Communication	3	Major/Concentration/Departmental Requirement	

Syllabus	Course ID	Course Name	Cr.H	Course Group	Grade
2010 2015 U Computer Science and Information Technology Major	CSE443	Mobile and Telecommunication	3	Major/Concentration/Departmental Requirement	B+
2010 2015 U Computer Science and Information Technology Major	CSII11	Computer Fundamentals & Programming Techniques	3	Major/Concentration/Departmental Requirement	B
2010 2015 U Computer Science and Information Technology Major	CSII12	Computer Fundamentals & Programming Techniques Sessional	1.50	Major/Concentration/Departmental Requirement	A+
2010 2015 U Computer Science and Information Technology Major	CSII21	Structured Programming Language	3	Major/Concentration/Departmental Requirement	B+
2010 2015 U Computer Science and Information Technology Major	CSII22	Structured Programming Language Sessional	1.50	Major/Concentration/Departmental Requirement	A+
2010 2015 U Computer Science and Information Technology Major	CSII212	Object-oriented programming	3	Major/Concentration/Departmental Requirement	A-
2010 2015 U Computer Science and Information Technology Major	CSII214	Object Oriented Programming Language Sessional	1.50	Major/Concentration/Departmental Requirement	B+
2010 2015 U Computer Science and Information Technology Major	CSII217	Data Structure	3	Major/Concentration/Departmental Requirement	B-
2010 2015 U Computer Science and Information Technology Major	CSII218	Data Structure Sessional	1.50	Major/Concentration/Departmental Requirement	B
2010 2015 U Computer Science and Information Technology Major	CSII221	Database Management Systems	3	Major/Concentration/Departmental Requirement	D
2010 2015 U Computer Science and Information Technology Major	CSII222	Database Management Systems Sessional	1.50	Major/Concentration/Departmental Requirement	A
2010 2015 U Computer Science and Information Technology Major	CSII227	Algorithm	3	Major/Concentration/Departmental Requirement	B
2010 2015 U Computer Science and Information Technology Major	CSII228	Algorithm Sessional	1.50	Major/Concentration/Departmental Requirement	B+
2010 2015 U Computer Science and Information Technology Major	CSII231	Operating System Concepts	3	Major/Concentration/Departmental Requirement	B+
2010 2015 U Computer Science and Information Technology Major	CSII232	Operating Systems Concepts Sessional	1.50	Major/Concentration/Departmental Requirement	B+
2010 2015 U Computer Science and Information Technology Major	CSII311	System Analysis and Design	3	Major/Concentration/Departmental Requirement	A-
2010 2015 U Computer Science and Information Technology Major	CSII312	System Analysis and Design Sessional	1.50	Major/Concentration/Departmental Requirement	A
2010 2015 U Computer Science and Information Technology Major	CSII317	Theory of Computing	3	Major/Concentration/Departmental Requirement	A
2010 2015 U Computer Science and Information Technology Major	CSII321	Software Engineering	3	Major/Concentration/Departmental Requirement	A+
2010 2015 U Computer Science and Information Technology Major	CSII322	Software Engineering Sessional	1.50	Major/Concentration/Departmental Requirement	A
2010 2015 U Computer Science and Information Technology Major	CSII331	Pattern Recognition	3	Major/Concentration/Departmental Requirement	A+
2010 2015 U Computer Science and Information Technology Major	CSII332	Pattern Recognition Sessional	1.50	Major/Concentration/Departmental Requirement	A
2010 2015 U Computer Science and Information Technology Major	CSII341	Artificial Intelligence	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	CSII342	Artificial Intelligence Sessional	1.50	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	CSII400	Project & Thesis	6	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	CSII411	Compiler Design	3	Major/Concentration/Departmental Requirement	A-
2010 2015 U Computer Science and Information Technology Major	CSII412	Compiler Design Sessional	1.50	Major/Concentration/Departmental Requirement	A

Syllabus	Course ID	Course Name	Cr.H	Course Group	Grade
2010 2015 U Computer Science and Information Technology Major	CSI421	Computer Graphics	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	CSI422	Computer Graphics Sessional	1.50	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	CSI423	Simulation & Modeling	3	Major/Concentration/Departmental Requirement	A+
2010 2015 U Computer Science and Information Technology Major	CSI424	Simulation & Modeling Sessional	1.50	Major/Concentration/Departmental Requirement	A+
2010 2015 U Computer Science and Information Technology Major	CSI444	Computer Graphics	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	CSI447	Multimedia Systems Design	3	Major/Concentration/Departmental Requirement	A-
2010 2015 U Computer Science and Information Technology Major	CSI448	Multimedia Systems Design Sessional	1.50	Major/Concentration/Departmental Requirement	A
2010 2015 U Computer Science and Information Technology Major	ECO213	Economics	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	ENG101	English Language I	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	ENG102	Freshman English -I	3	Major/Concentration/Departmental Requirement	C+
2010 2015 U Computer Science and Information Technology Major	ENG105	Freshman English -ii	3	Major/Concentration/Departmental Requirement	B+
2010 2015 U Computer Science and Information Technology Major	HUM103	Introduction to Humanities	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	MAT115	Differential Calculus & Coordinate Geometry	3	Major/Concentration/Departmental Requirement	C+
2010 2015 U Computer Science and Information Technology Major	MAT125	Integral Calculus & Vector Analysis	3	Major/Concentration/Departmental Requirement	B+
2010 2015 U Computer Science and Information Technology Major	MAT135	Discrete Mathematics	3	Major/Concentration/Departmental Requirement	A+
2010 2015 U Computer Science and Information Technology Major	MAT215	Linear Algebra	3	Major/Concentration/Departmental Requirement	C+
2010 2015 U Computer Science and Information Technology Major	MAT315	Complex Variable and Laplace Transformation	3	Major/Concentration/Departmental Requirement	A
2010 2015 U Computer Science and Information Technology Major	MAT325	Differential Equation and Fourier Analysis	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	MAT329	Mathematical Analysis for Computer Science	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	MAT415	Numerical Methods	3	Major/Concentration/Departmental Requirement	A
2010 2015 U Computer Science and Information Technology Major	MEC129	Mechanical Engineering	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	MEC130	Mechanical Engineering Sessional	1.50	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	MGT214	Introduction to Management	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	MIS435	Management Information System	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	MKT324	Principles of Marketing	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	PHY117	Physics-I	3	Major/Concentration/Departmental Requirement	B-
2010 2015 U Computer Science and Information Technology Major	PHY118	Physics-I Sessional	1.50	Major/Concentration/Departmental Requirement	A+

Syllabus	Course ID	Course Name	Cr.H	Course Group	Grade
2010 2015 U Computer Science and Information Technology Major	PHY127	Physics II	3	Major/Concentration/Departmental Requirement	A
2010 2015 U Computer Science and Information Technology Major	SOC104	Introduction to Social Science	3	Major/Concentration/Departmental Requirement	
2010 2015 U Computer Science and Information Technology Major	STA208	Statistics	3	Major/Concentration/Departmental Requirement	A
